RE: Initial accreditation

Dear Mr. Theys:

I am writing to congratulate you and the staff of Accurate Analytical Testing, LLC. Based on your application and primary NELAP accreditations from the state of New York, pursuant to authorization from the Executive Director of the Texas Commission on Environmental Quality, the Program Manager of the Quality Assurance Section has issued your laboratory secondary NELAP accreditation according to the attached Fields of Accreditation.

I am enclosing the accreditation certificate and Fields of Accreditation listing. Please review the enclosures for accuracy and completeness. Your laboratory's accreditation is valid until the expiration date on the certificate and scope, contingent on continued compliance with the requirements of the state of Texas as well as those of your primary accreditation body.

In the meantime, please contact Mr. Frank Jamison at (512) 239-3754 or frank.jamison@tceq.texas.gov if we can provide any additional information or assistance.

Sincerely,
